

The Mississinewa Valley Band is Grant County’s community band and is headquartered in Marion, Indiana. We began in 2000 and are an all-volunteer, nonprofit organization. We provide a program for amateur instrumentalists of all ages to continue growth and musicianship. We promote the continued development, education and appreciation of the arts in the Grant County community. We provide quality entertainment with no admission charge to our concerts so the public can enjoy our performances with no financial barrier. Our membership is accessible to everyone. We are proud to provide a musical outlet for musicians who vary in age, proficiency level and professional background. We average 55 musicians, representing ten counties, and they enjoy volunteering their time to perform a variety of music for a number of different venues. We also have two smaller groups: our Swing Band and Windsong Flute Ensemble, who perform at various venues.

As a 501(c) (3) nonprofit organization, performance fees and donations from individuals and businesses meet our operating needs. Band members distribute over 4,000 pieces of information for each concert, with average concert attendance being 500. We are asking you to consider being a corporate sponsor. We have three main levels of corporate sponsorship.
